CAPABILITY STATEMENT

WHO WE ARE

Advance Tech Trading & Contracting USA LLC is a Staten Island, New York small business built around a simple promise: technology procurement without the friction. From workstations and servers to networking, surveillance, and specialized medical and office equipment, we source, quote, and deliver nationwide, pairing the responsiveness of a small firm with the discipline that government buying demands. Every order receives direct owner attention, and every document arrives GovCon-ready.

1 · Quote

Send the requirement; receive an accurate, competitive quote, most within the week.

2 · Confirm

Clean GovCon paperwork every time: CAGE, UEI, and your references on every document.

3 · Deliver

Nationwide fulfillment with dependable lead times and proactive communication.

CORE COMPETENCIES

- **End-user computing:** workstations, laptops, tablets, and peripherals from every major manufacturer
- **Data center and compute:** servers, storage, and infrastructure hardware configured to specification
- **Networking:** switching, routing, wireless, and structured cabling for any facility footprint
- **Security and surveillance:** CCTV systems, video recorders, and access-control hardware
- **Medical and office equipment:** institutional-grade supply for clinics, offices, and facilities
- **Nationwide fulfillment:** accurate documentation, dependable lead times, clear communication

WHY ADVANCE TECH

- **Speed where it counts:** most quotes returned within the week, many the same day
- **Real purchasing power:** a multi-vendor supply network that keeps pricing consistently sharp
- **Built for government:** active SAM registration, with CAGE and UEI on every document
- **Accountability you can reach:** owner-led service on every order, no layers, no call centers
